UNIVERSITY PARTNERSHIPS

There are 12 active university partnerships between Australian Institutions and Universities in Montana that date back more than 20 years. This includes 11 student and 5 staff exchange programs. The staff exchange is discussed below:

- **The ARMS-NCURA Fellowship program:** A joint initiative between National Council of University Research Administrators (NCURA) and the Australasia Research Management Society (ARMS). The Fellowship program has two underlying objectives:
 - (i) The training of research administrators
 - (ii) Enhancing research collaboration between the U.S. and the countries in the Australasia region. This program is intended to reduce barriers to global research administration and create an administrative environment conducive to global research collaboration. This program has an arrangement with the following universities:
 - **Western Sydney University & Montana State University**
 - **University of Canberra & University of Montana**
 - **Southern Cross University & University of Montana**
 - **Monash University** has previously held a staff exchange with Montana State University;

MAJOR EVENTS

- **Wild West Winterfest:** One of Montana's main events, the two-day Wild West Winterfest attracts over 10,000 visitors annually
 - **Custer's Last Stand Re-enactment & Little Bighorn Days:** In a grand pageant of Montana history, more than 300 re-enactors relive the events that led up to what has become known as Custer's Last Stand.
 - **North American Indian Days:** An annual celebration and the largest and most impressive of Blackfeet tribal events, has been celebrated for more than 61 years.
 - **Festival of Nations:** The oldest and most historic festival in Montana, is a two-day event celebrating the cultures of Ireland, Scotland, Wales, England, Italy, Germany, Finland, and the Czech Republic in remembrance of those peoples' vital roles in the mining industry of the area in the early 1900s.
